## Metabolic Product Options from Nutricia: Update on US Product Availability August 5, 2022

Dear Metabolic Community,

We are pleased to provide you with an update on our stock situation and report that additional products have become available. **Most products are in stock**, and we are working hard to ensure continued supply of our portfolio.

Products back in stock:

- PhenylAde GMP Drink Mix Vanilla (pouches)
- Periflex Advance Unflavored
- MSUD Maxamum
- Complex MSD Junior
- HCU Lophlex LQ
- Please note the **\*\*\*NEW\*\*\*** PhenylAde GMP Drink Mix Plain (Original) in a can format.

Please ask for a script for both can and pouch format if your preferred product offers both options. This will allow for flexibility in ordering.

Here are products we expect to be back in stock within the next couple of weeks:

- PKU Periflex LQ Berry Crème and Orange Crème
- PhenylAde 60 Vanilla
- PhenylAde MTE Amino Acid Blend (pouches)
- PhenylAde GMP Drink Mix Vanilla (cans)
- PhenylAde Essential Unflavored
- PKU Lophlex LQ Juicy Tropical
- PhenylAde Essential – Vanilla cans now expected to be back by the end of August.
- PhenylAde Essential – Chocolate. Please note that pouches of this product are currently not available (apologies for the error in previous communication). **Please switch to can format.**

Talk to your healthcare provider if you cannot access your Nutricia metabolic product for any reason. In cooperation with them, we can help find solutions – we are here for you.

If you have questions about your order, please contact our Customer Service team ([MetaCustomerCare@nutricia.com](mailto:MetaCustomerCare@nutricia.com)). If you have product questions, you can reach our Medical Affairs team at [NutritionServices@nutricia.com](mailto:NutritionServices@nutricia.com). Both teams can also be reached via phone at 1-800-365-7354.

With warm regards,

*Your Nutricia Metabolics Team*
