

Enhancing Lives Together
A Nestlé Health Science Company

March 13, 2023

To Our Valued Rare Disease Community,

In 2023, Vitaflo™ is committed to providing reliable supply and serving those in the metabolic community who need to find suitable formula options.

Vitaflo continues to offer the full array of metabolic formulas and all products are available for sampling.

The product stock levels are reviewed continuously and have been increased significantly to help you with current supply issues or discontinuations from other manufacturers. **Vitaflo** continues to share resources with metabolic dietitians who can help you decide which formula options are right for you or your loved ones.
